

## On the Subject of 1+2=3

*Simple math. Perhaps too simple. We will laugh if you get this wrong.*

- A simple math problem will appear on the display.
- Press the button corresponding to the answer.
- The problems contain anywhere from 2 to 4 terms, use addition and/or subtraction, and only contain the numbers 1, 2, and 3.

	00	
$3 + 1 - 2 + 1$		
1	2	3
